Hi Jennifer and Maria. As luck would have it, I am scheduled to brief the Biden Review Team at the same time as the STPC meeting. I will try to join immediately afterwards.

More importantly, after a stellar career, Dan Axelrad is retiring from NCEE/EPA. While Dan has many enormous contributions in the policy and economic space, he has also contributed mightily in the risk assessment and STPC arenas as well. This will be his last STPC meeting 😞. Sadly, I will not be there to recognize him.

Warm regards to you both,

Al
